

The **Evening Under the Stars** Gourmet Food & Wine Tasting Festival was created by American Honda for the community as a way to bring corporate business, residents and local commerce together with local city officials. The Festival features delicious food and wine tastes from many of the South Bay's finest restaurants and wineries. For 2017 Honda's event charity recipients will once again include Vistas for Children!

The Food & Wine Festival fundraiser is being held Saturday, August 26, 2017. It will take place on the Grounds of American Honda, Torrance, California. Entertainment will be provided by the renowned **Kenny G!**

25 restaurants participate annually, including many top South Bay restaurants. Approximately 80 varietals of wine will be served, including professional sommeliers from the Disneyland Resort on hand to educate guests about wine. Approximately 1,000 guests will enjoy the evening!

There will be a **live and silent auction!** We look forward to you going home with amazing items, events and experiences to share with your family and friends, of which many memories will be made!
