Join us down the rabbit hole!

Dear Friends,

Vistas for Children, Inc. is a South Bay philanthropic organization focused on helping the children of families in need. Our 100% volunteer organization was founded in 1978, and has grown significantly to provide funding to various children's charities within our community. You can find a list of charities that received funds from Vistas for Children by visiting our website at www.vistasforchildren.org.

The mission of Vistas for Children is "to raise funds to help special needs children and to be a system of support for these children and their families." In the past, we have given financial support to children who are multi-disabled, abused, homeless, terminally ill and born with retinoblastoma (or cancer of the eye), to name a few examples. Over the 41 years since its inception, Vistas for Children has raised over \$7 million for needy children in our community.

Our 20th Annual Fashion Show will be held at the newly remodeled Crowne Plaza in Redondo Beach on Sunday, March 8th, 2020, showcasing fabulous designers. We are very excited to announce that this year's theme will be a colorful, whimsical, Wonderland-inspired Mad Hatter Tea Party.

We invite you to partner with us as a Sponsor, Advertiser or Donor in our upcoming Fashion Show. Attached is information of the various levels of sponsorships and advertisements offered. Your advertisement will receive exposure to a wide variety of Southern California communities through publicity associated with these events. Your generous contributions will make a difference in the lives of many children in need and their families.

Thank you for your continued financial support and generosity. Please feel free to contact us with any questions or comments. We look forward to hearing from you soon.
