

Dear Friends,

We are honored to be Co-Chairs of Vistas for Children's premier fundraising event, Moonlight Masquerade. This is an exciting year for Vistas for Children (Vistas), as we celebrate 45 years of commitment to the children and their families of our South Bay community. Since 1978, Vistas has granted over \$7,000,000 to South Bay philanthropies which support children and their families in a variety of ways. You can find a list of these charities by visiting our website, [vistasforchildren.org](http://vistasforchildren.org).

On October 28, 2023 over 150 guests will attend Moonlight Masquerade to join us in raising funds so we can further assist children with special needs; children who have experienced abuse and neglect; children who are hungry and homeless, as well as those children who are terminally ill. These children and their families are dependent on the support of local philanthropies to make a difference in their lives. To give them the encouragement, the hope and the programs which will enrich their lives, and hopefully make the challenges they face, a little less burdensome.

Last year, generous contributions from companies and individuals enabled us to grant over \$200,000 to 21 local philanthropies. Please join us in supporting Vistas mission, by becoming a sponsor or donating an auction item for our Silent or Live Auctions. With your commitment, we hope to grant \$250,000+ in 2024. Enclosed is additional information about the Gala as well as ways you can support us and the children.

If you have any questions, please contact Sue Kim at 323-791-6445 or Terry Eastley at 310-990-9519. Thank you in advance for your support, generosity, and contribution to improving the lives of children in the South Bay.

With warm gratitude,

Robyn Peacock  
Moonlight Masquerade Co-Chair

Cheryl Medina  
Moonlight Masquerade Co-Chair
